

## COVID-19 : Bike park rules

In this document, you'll find every adjustments that we'll set for the upcoming opening, apart from obvious social distancing to keep between each other !

To remember :

- Frequent hand washing ;
- Coughing in the elbow ;
- The wear of a facemask when the 1m social distance can't be kept ;

**Facemasks are not provided here.**

### **1. Restaurant Auberge du Vallon : only to take away**

Restaurant is open (facemask is necessary)

**Showers are closed.**

### **2. Liftpasses / Checkout**

Passes and tickets will be sold at the two left-located checkouts only.

Bike rental, gear and spares at the right-located checkout.

Whilst waiting, please keep 1m distance from each other.

You can load passes with internet, keep them safe somewhere for the next time :

Credit card / contactless payment advised if possible !

### **3. Chairlift**

We'll operate with 2 bikes and 2 riders per seat to respect the distance !

**Bike gloves are mandatory**

Once at the top, our guys will drop you the bike, please avoid big meetings and go for a ride !

**4. Trails – Important informations**

In order to reduce risk and avoid crashes as much as we can, we delt with authorities and decided to close some committed features on the bike park. Local hospitals are working hard these days and limiting risk is not an option by now.

Here are the closed features :

TRAILS	PART CLOSED
SMOOTH	<i>Open</i>
EASY	<i>Open</i>
COOL	<i>Open</i>
FAT	big air
FLOW	<i>Open</i>
ROOTS	<i>Open</i>
4 CROSS	<i>Open</i>
NUTS	Road gap
R'LINE	<i>Closed</i>

Start your ride individually, keeping a distance of 10 m to other riders.

Take care to keep at least 2 m distance while overtaking. Slower riders please let others pass at fireroads.

Groups of 10 maximum.

***Thanks for your comprehension, see you soon on the trails...***
